**TIPS FOR A SUCCESSFUL JOB FAIR EXPERIENCE:**

**Dress professional!** You will be meeting Human Resource recruiters—the people who do the hiring. You want to make a good first impression.

**Arrange for childcare.** You wouldn't take your children to a job interview and you won't want to take them to a job fair.

**Bring plenty of resumes.** There will be 100+ employers attending. You probably won't be interested in every business, but be prepared to hand out resumes. To get an idea of what businesses will be attending, check our website at [www.placer.ca.gov/jobfair](http://www.placer.ca.gov/jobfair). There are no copy machines available for your use at the fairgrounds, so be ready with enough copies in hand.

**Research the companies** ahead of time. Find out which employers will be attending. Visit the company website to learn more about the company and what positions they might be hiring for.

**Speak with recruiters.** Ask questions about the positions available. Showing an interest in the job, allows the recruiters an opportunity to get to know more about your qualifications.

## WHAT IS JOB TALK

This is your opportunity to meet Human Resource recruiters from local businesses. Each month we feature two companies who are currently hiring for positions in Placer County or the surrounding area. Past companies include: UPS, Kaiser Permanente, U.S.D.A. Dept. of Forestry, Thunder Valley Casino, Pride Industries, Comcast, Home Depot, TASQ Technology, and many more.
